B1/3 DARK BROWN OAK TEA & COFFEE STATION

This high capacity B1/3 Dark Brown Oak Tea & Coffee Station 212x398x244 is not only extremely attractive but exceptionally practical. It has been designed within our Modular hospitality system to a B1/3 footprint. This means, like the boxes, it fits comfortably on our Hospitality Trolleys. The multi-functional station also stacks on the trolley boxes offering maximum capacity whilst being transported on one of our hospitality catering trolleys. It stands on 4 x 18mm thick feet, giving it plenty of clearance to avoid the consequence of spillages.

It is a great stand alone Tea and Coffee Station but being part of the modular system it combines very well with the other components when setting up buffets and banquets.

The oak drawers have finger cut-outs for ease of opening and are compartmentalised with 4 acrylic dividers.

Engraved Label Options

The drawer fronts can be left blank or engraved as you like. They are also reversible allowing you to engrave one end with the option to reverse the drawers to display the blank end when required.

If you prefer natural wood you may like the Burford Tea Chest 2 Drawer B1/3 Natural Oak
