NURSERY PIKLER INSPIRED CLIMBING SET GRETTON GREY

We manufacture our Nursery Pikler Inspired Climbing Set Gretton Grey from premium sustainable Birch Ply. It is part of the Ligneus PLAY range of products and so you can be assured of its quality. Birch Plywood offers an incredibly durable, robust product whilst maintaining a beautifully natural look and feel. We paint the rungs a beautiful Cotswold Gretton Grey for a stylish two tone look.

Unlike other Pikler Inspired sets on the market this uses 35mm Pine dowels for the rungs. These larger diameters offer a more secure and comfy grip even for the tiniest hands and fingers.

Easily Folded Away

The triangle is designed to easily fold away. This is done using the quick release handles on each of the shorter legs to allow the legs to pivot closed.

Childhood development

The Pikler Inspired Triangle range is considered an essential tool in childhood development. A food safe lacquer offers a natural look and an easy clean finish. It has been designed to encourage the development of a child's agility and reaction skills. They will learn to stand, slide & climb to vanquish fears at their own pace. It instinctively emboldens and develops strength and stability. Watch them evolve in front of your eyes as their confidence pushes them to new heights. Literally!

As well as crucial development the junior Pikler triangle offers endless fun as they learn to explore their imagination.

The Nursery Pikler Inspired Climbing Set Gretton Grey is made up of:

- Nursery Pikler Inspired Triangle Gretton Grey
- Nursery Pikler Inspired Arch Gretton Grey
- Nursery Pikler Inspired Ladder Gretton Grey
