NATURAL 3-TIER A-FRAME TROLLEY ON DELUXE WHEELS

This Natural 3-Tier A-Frame Trolley on Deluxe Wheels is incredibly versatile. As a mobile A-frame it works incredibly well as an attractive display stand however it has also been design to be used as a functional catering trolley.

The deluxe wheels offer the smoothest running with the easiest manoeuvrability. This makes it ideal as a catering trolley or a tea trolley. They are incredibly tough, are 125mm in diameter and made with a polyurethane tyre.

Optional tray inserts

There is also the option of a set of removable trays that sit within each boxed tier. There are two trays on the top tier, one tray on the 2nd tier and 4 trays on the base tier. The tray on 2nd tier has 5 removable partitions and the base tier trays each have 2 removable partitions. These trays offer even greater versatility to this multi function trolley - it becomes a fantastic mobile cutlery and condiment holder.
