## SCORCHED PINE MINI CRATE 341X230X89

This Scorched Pine Mini Crate 341x230x89 is an attractive lightweight crate. We manufacture this crate in pine and then scorch it for an eye catching effect. We then finish it off in a food grade lacquer which enhances the wood and scorching. The lacquer also gives it added protection for frequent use.

The mini crate can also be upturned and used as an attractive merchandise display.
