SQUARE EDGED OAK CHOPPING BOARD 250X170X34

Thick and chunky with clean lines best describes this solid Rustic Square Edged Oak Chopping Board 250x170x34 or serving board. Not for the "weak wristed" this one's heavy at 34mm thick but will still grace any worktop, kitchen or counter display. Made from prime solid oak this chunky board is finished in food quality oil for a deeper natural colour this classic design will stand the test of time and last and last...

In addition a personalised message can be engraved on the bottom right of the board surface. With up to 25 characters you can build a collection of boards for different purposes. Personalisation can also make this board a great gift.
