### 3 CRATE RUSTIC BROWN SHELVING UNIT 500X370X1360

This eye catching 3 Crate Rustic Brown Shelving Unit 500x370x1360 is perfect for building your own retail displays. You can line a wall with a number of these small wooden shelf units to form attractive merchandising array. Shop display crates offer a classic traditional look. Our Rustic Crate Shelving Units are made from attractive sustainable redwood offering great ecological credentials

#### Customisation

We manufacture our Rustic Brown shelving units to be as customisable as possible. You can choose to add caster and additional shelves and so create the perfect match for your needs. if you choose to add castors for mobility this will add 78mm to the overall height.

#### Shelving Assembly

These popular rustic shelves are dispatched as self assembly. You will received 3 assembled crates and an assembled box base. If shelves are selected these are fixed at half way. These can be supplied loose with fixings if you wish to fix them at different heights.

All fixings are supplied however you will need driver and posi (PZ2) bit for the screws. 2mm pilot holes are recommended for the screws these will help prevent splitting.

Our 3 Rustic Crate Shelving Unit is not beautiful but incredibly practical too.
