4-TIER MOBILE OPEN CRATE LIGHT OAK RUSTIC SHELVING UNIT 625X400X1695

This eye catching 4-Tier Mobile Open Crate Light Oak Shelving Unit 625x400x1695 is perfect for building your own retail displays. You can line a wall with a number of these units to form a classic merchandising array.

These light oak shelving units are made from attractive sustainable redwood. These shelves come with casters for total mobility. Two are braked so you can secure the shelves in position. Each shelf is made up of an open sided stacker crate. The open sides offer far more light to display your merchandise. The stacker option allows you to build higher or lower or simply stow away easily if need be.

Branded Shelving Units

You can have your logo or brand printed on to the top two panels as shown (Branding 1). the total print area will be 500x120mm and/or on the drop front slats on each tier (Branding 2). In the case of Branding 2 the drop front slats will be full width slats to accommodate the printing - see video for example.
