## RUSTIC BROWN TOP PANEL BLACKBOARD CRATE 500X370X250

The Rustic Brown Top Panel Blackboard Crate 500x370x250 is derived from our [rustic brown crate](#). The top panel along the length of one side has had an additional treatment with blackboard paint. This means these already versatile crates can be used over and over for a multitude of different contents and be label clearly.

### 500x370x250 Blackboard Stacker Crate

Our standard 500mm Rustic Brown Top Panel brown blackboard crates, like all our crates, are stackable. We do, however, offer an **interlocking** option for a more supported stack. If you are regularly stacking your crates 3+ high then we would certainly recommend this option. You can also add a [set of 4 casters](#) to make any 500mm Rustic Top Panel black board crate or 500mm Rustic Top Panel blackboard stacker crate mobile.
