The other size is:

500mm Stacker Crates (or Stacker Jack Crate as we like to call them)

Our standard 500mm rustic Brown Weathered Union Jack crates, like all our crates, are stackable. We do, however, offer an **interlocking** option for a more supported stack. If you are regularly stacking your crates 3+ high then we would certainly recommend this option. You can also add a [set of 4 casters](#) to make any 500mm Weathered Union Jack crate or 500mm Weathered Union Jack crate mobile.
