600mm Stacker Crates

Our standard 600mm rustic brown log crates, like all our crates, are stackable. We do, however, offer an **interlocking** option for a more supported stack. If you are regularly stacking your crates 3+ high then we would certainly recommend this option. You can also add a [set of 4 casters](#) to make any 600mm log crate or 600mm log stacker crate mobile.

We have a range of labelled/ stencilled crates however if you cannot find one that suits your need you can have one personalised just for you with our [Rustic Bespoke Stencil Crate](#).
