The Bourton Black Oak Hospitality Trolley is a high end service trolley, ideal for both front and back of house applications. It is made from solid oak giving it a quality look and feel with the toughness for constant use.

There are three tiers with rebates to prevent items rolling off. The rebates also allow compatible oak boxes (part of the [Modular Hospitality Trolley System](#)) to sit securely within. With 2 sizes of stacker box available your trolley is truly customisable to your needs.

The trolley sits on 4 sturdy swivel castors offering perfectly smooth manoeuvring. Polished stainless steel columns support the levels creating a stylish contemporary look. The lowest tier has a rubber bumper strip around the edge to help minimise impact from knocks and bumps. The trolley is also available in a natural finish with the [Bourton Lacquered Oak Hospitality Trolley](#)

If you prefer a more classic look and feel then you may like our [Burford Black Oak Hospitality Trolley](#) which has oak columns.
