## BURFORD DROP LEAF TROLLEY DARK BROWN 805/1460X558X855

The Burford Drop Leaf Trolley Dark Brown is a high end service trolley, or hostess trolley. Amberley Grey is a very in fashion anthracite grey - one of our more popular colours. It is ideal for both front and back of house applications such as service and replenishment.

We manufacture the trolley from solid oak. This creates a quality look and feel with the toughness for constant use. It is available in a range of colours.

It has three tiers which are rebated to prevent items rolling off. The rebates also allow compatible solid oak boxes (part of the [Modular Hospitality Trolley System](#)) to sit securely upon. With a range of stacker box sizes available your trolley is truly customisable to your needs. It shortens from 1460mm to 805mm when not extended.

The colourful drop leaf hospitality trolley sits on 4 sturdy swivel castors offering perfectly smooth manoeuvring. The top two tiers are supported with oak columns to maintain a classic look. The lowest tier has a rubber bumper strip around the edge. This bumper strip helps to minimise impact from knocks and bumps. This refined catering trolley forms part of the [Burford Collection](#) so offering a classic design style.

The Burford Drop Leaf Trolley is also available in other colours, these include:

- [Burford Drop Leaf Trolley Natural](#)
- [Burford Drop Leaf Trolley Amberley Grey](#)
- Burford Drop Leaf Trolley Dark Brown (this one)
- [Burford Drop Leaf Trolley Black](#)

This is a high end catering trolley perfect for highest level boardroom meetings. It works beautifully as a premium kitchen trolley with the capacity to accommodate the largest of households or restaurants. Its versatility and durability means it is also suitable for everyday hotel, restaurant and institutional applications.
