BURFORD GN11 ISLAND LONG TROLLEY GN1/3 DROP LEAVES NATURAL

The Burford GN11 Island Long Trolley GN1/3 Drop Leaves is a high end service trolley with 4 drop leaves. This oak trolley is ideal for both front and back of house applications such as service and replenishment. We manufacture the island trolley from solid FSC oak. This creates a quality look and feel with the toughness for constant use.

Rebated tiers & leaves securing modular units

This catering trolley has three tiers and four extendable drop leaves which are rebated to prevent items rolling off. With a range of GN box sizes available your trolley is truly customisable to your needs.

This is a high end catering hostess trolley perfect for highest level boardroom meetings. It works beautifully as a premium kitchen trolley with the capacity to accommodate the largest of households or restaurants. Its versatility and durability means it is also suitable for everyday hotel, restaurant and institutional applications.

The island trolley sits on 4 sturdy swivel castors offering perfectly smooth manoeuvring. The top two tiers are supported with oak columns to maintain a classic look. The lowest tier has a rubber bumper strip around the edge. This bumper strip helps minimise impact from knocks and bumps.

This refined catering trolley forms part of the <u>Burford Collection</u> so offering a classic design style.

The Burford Collection is available in 4 colour ranges:
