BURFORD GN11 LONG TROLLEY NATURAL

The Burford GN11 long Natural oak hospitality trolley is a high end service trolley, ideal for both front and back of house applications. We manufacture the trolley from solid oak giving it a quality look and feel with the toughness for constant use. This trolley has a more compact footprint and fits to GN exact sizing, matching up with our GN boxes.

It has three tiers which are rebated to prevent items rolling off. With a range of sizes of GN boxes available your trolley is truly customisable to your needs.

The trolley sits on 4 sturdy swivel castors offering perfectly smooth manoeuvring. The levels are supported with oak columns to maintain the classic look. The lowest tier has a rubber bumper strip around the edge to help minimise impact from knocks and bumps.

If you prefer a more contemporary look and feel then you may like our [Burton Natural Oak Hospitality Trolley](#) which has polished stainless steel columns.

This is a high end trolley suitable for highest level boardroom meetings. Its versatility and durability means it is also suitable for everyday hotel, restaurant and institutional applications.

The Burford Collection is available in 4 colour ranges:
