BURFORD ISLAND TROLLEY DARK BROWN OAK 3-TIER HOSPITALITY CATERING TROLLEY

The Burford Dark Brown Oak 3-tier Hospitality Catering Island Trolley is a high end service trolley with 4 drop leaves. This oak trolley is ideal for both front and back of house applications such as service and replenishment. We manufacture the island trolley from solid Sustainably resourced oak. This creates a quality look and feel with the toughness for constant use.

Rebated tiers & leaves securing modular units

This catering trolley has three tiers and four extendable drop leaves which are rebated to prevent items rolling off. The rebates also allow compatible solid oak boxes (part of the Modular Hospitality Trolley System) to sit securely upon. With a range of stacker box sizes available your trolley is truly customisable to your needs. It shortens from 1465mm to 830mm wide and from 1225cm to 595cm deep when not extended.

This is a high end catering hostess trolley perfect for highest level boardroom meetings. It works beautifully as a premium kitchen trolley with the capacity to accommodate the largest of households or restaurants. Its versatility and durability means it is also suitable for everyday hotel, restaurant and institutional applications.

The island trolley sits on 4 sturdy swivel castors offering perfectly smooth manoeuvring. The top two tiers are supported with oak columns to maintain a classic look. The lowest tier has a rubber bumper strip around the edge. This bumper strip helps minimise impact from knocks and bumps.

This refined catering trolley forms part of the Burford Collection so offering a classic design style.
