BURFORD LONG TROLLEY NATURAL 1010X558X855

The Burford Long Natural oak hospitality trolley is a high end service trolley, ideal for both front and back of house applications. We manufacture the trolley from solid oak giving it a quality look and feel with the toughness for constant use.

The Burford Long Natural is the extended version of the standard Burford Natural Trolley. It maintains its design around the modular system so all other components work with this larger size.

It has three levels which are rebated to prevent items rolling off. The rebates also allow compatible oak boxes (part of the Modular Hospitality Trolley System) to sit securely within. With 2 sizes of stacker box available your trolley is truly customisable to your needs.

The trolley sits on 4 sturdy swivel castors offering perfectly smooth manoeuvring. The levels are supported with oak columns for a classic look. The lowest tier has a rubber bumper strip around the edge to help minimise impact from knocks and bumps.

This is a high end trolley suitable for highest level boardroom meetings. Its versatility and durability means it is also suitable for everyday hotel, restaurant and institutional applications.

We also produce the Burford Long Trolley in other colours. These include:

- Burford Long Trolley Natural (this one)
- Burford Long Trolley Dark Brown
- Burford Long Trolley Amberley Grey
- Burford Long Trolley Black
