BURFORD NATURAL OAK DROP LEAF HOSPITALITY CATERING TROLLEY 805/1460X558X855

The Burford Natural Oak Drop Leaf Hospitality Catering Trolley is a high end catering service trolley, ideal for both front and back of house applications. It is made from solid oak giving it a quality look and feel with the toughness for constant use.

REBATED TIERS & LEAVES SECURING MODULAR UNITS

The natural oak catering trolley has three tiers which are rebated to prevent items rolling off. The rebates also allow solid oak boxes (Part of the [Modular Hospitality Trolley System](#)) to sit securely within. With 2 sizes of stacker box available your hostess trolley is truly customisable to your needs. It shortens from 1460mm to 805mm when not extended.

The drop leaf catering trolley sits on 4 sturdy swivel castors offering perfectly smooth manoeuvring. The levels are supported with oak columns to maintain the classic look. The lowest tier has a rubber bumper strip around the edge to help minimise impact from knocks and bumps.

This is a high end hostess trolley suitable for highest level boardroom meetings. Its versatility and durability means it is also suitable for everyday hotel, restaurant and institutional applications.
