## OAK DOUBLE DOG BOWL

We craft our double dog bowl from FSC Oak so it is robust enough for the most playful dog. This personalised dog bowl offers a stable platform for both drinking and feeding bowls.

With two stainless steel inset bowls each measuring 200mm in diameter, a depth of 70mm and offering about 2 litres of capacity, the double bowl is large enough to sustain the hungriest and thirstiest of dogs.

The dog double bowl comes with a paw on each top corner with your pets name engraved in between. We offer 2 standard fonts:

Font A: **Chester** (This is the font used in the image)

Font B: **Chester**

If you wish to use a different font please do [get in contact](#).

If you have a cat instead or as well as then you might like to treat them to a [personalised oak double cat bowl](#).
