### **Drop Front Stacker Crate**

Our standard 600mm Gretton Grey Drop Front Colour Burst Crates, like all our crates, are stackable. We do, however, offer an interlocking option for a more supported stack. If you are regularly stacking your crates 3+ high then we would certainly recommend this option. In this way you can build floor based display system.

You can purchase a mobile version of this crate in the [Drop Front Mobile two tone Crate 600x370x250](#)
