Drop Front Rustic Brown Stacker Crate

Our standard 500mm drop front rustic brown crate, like all our crates, are stackable. We do, however, offer an interlocking option for a more supported stack. If you are regularly stacking your crates 3+ high then we would certainly recommend this option. In this way you can build floor based display system.

There is also the option of the rustic [stacker crate system](#) and **SAVE £££** on the individual units. The system includes rustic drop front stacker crates, a rustic [stacker crate lid](#) and a [set of 4 casters](#).
