## DUAL OPERATION HANDS FREE 5 LITRE SINGLE DISPENSER STAND 475X297X1000

This Pine Dual Operation Hands Free 5 Litre Single Dispenser Stand 475x297x1000 has a dual operation to assist wheel chair users and those with a range of disabilities. It has both a single foot activated mechanism and an elbow / hand operated mechanism. It has a 5 litre capacity to reduce refill times. Better for areas such as sports stadiums and other venues. We manufacture this mobile sanitation station from sustainable pine.

This dual operated dispenser has been designed to hold a standard 5 litre container such as the [Nilaqua Hand Sanitiser Plus Refill 5l](#) - one is supplied **FREE** with this stand.

We finish this hands free sanitiser dispenser in beautiful light oak stain which enhances the overall look.

All our dispensers offer the option of purchasing an **additional 5l Nilaqua Refill at 10% discount** - simply tick the refill box option.

This stand can also be used as a ball plinth as players exit on to the pitch - simply tick select the plinth option for an interchangeable top to be included with your stand.
