EXHIBITION AISLE PARTITION

This aisle partition is part of the modular Rancher Display Stand Range.

Its look is a slatted make up offering an agricultural look however its finish is crisp and clean for a striking contemporary feel. This aisle partition can be used in conjunction with any of the other modular components. It can be used to set your boundaries in a store or separate booths at a show.

Its top surface is removable to allow for product or pamphlets to be contained within or even flower troughs to soften the environment.

The sides can be easily branded to help raise awareness of your event or display.
