GN1/2 GASTRONORM OAK CRATE DISPLAY UNIT 353X293X175

This GN1/2 Gastronorm Oak Crate Display Unit 353x293x175 can contain standard 1 x GN1/2 or 2 x GN 1/4 size gastronorms with depths up to 150mm.

Unforgettable displays and Dining Experiences

Create unforgettable buffet displays with this GN1/2 oak crate. The crate's oak construction and lacquered finish create an ultra-stylish, contemporary look. It'll bring a delightfully sleek feel to your displays. With the GN sizing, you can use this crate to hold GN1/2 gastronorm trays and pans. You'll have plenty of choice when it comes to displaying and serving your food.

The design of this oak crate means it can also be used inverted as a riser. This will add height to your displays and create dining experiences that guests won't forget.

We manufacture the crate from beautiful Sustainably resourced Oak and finished in a food grade lacquer so it is beautiful as well as sustainable.
