Stacker Crates 500x370x250

Our standard Painted Gretton Grey Crates, like all our crates, are stackable. We do, however, offer an **interlocking** option for a more supported stack. If you are regularly stacking your crates 3+ high then we would certainly recommend this option.

Here's an idea: Stack 2 and add a [crate lid](#) to the top one to create a side table with storage.

For a more rustic crate you may prefer our [Rustic Crate 500x370x250](#) or for ready made displays you may be interested in our [Crate Displays](#).
