HANDS FREE 5 LITRE SINGLE DISPENSER STAND 475X297X1000

This Pine Hands Free 5 Litre Single Dispenser Stand 475x297x1000 has a single foot activated mechanism. It is designed for greater capacity to reduce refill times. Better for areas such as sports stadiums and other venues. We manufacture this mobile sanitation station from sustainable pine.

This foot activated hands free dispenser has been designed to hold a standard 5 litre container such as the [Nilaqua Hand Sanitiser Plus Refill 5l](#) - one is supplied **FREE** with this stand.

We finish this hands free sanitiser dispenser in beautiful rustic brown stain which enhances the overall look.

All our dispensers offer the option of purchasing an **additional 5l Nilaqua Refill at 10% discount** - simply tick the refill box option.

This stand can also be used as a ball plinth as players exit on to the pitch - simply tick select the plinth option for an interchangeable top to be included with your stand.
