Mobile Rustic Brown 3-Tier Double-sided Merchandise Stand

The Mobile Rustic Brown 3-Tier Merchandiser Display Stand is a great centre aisle POS and merchandiser display. The design offers maximum display at a convenient height for browsing.

Double-sided display

The 3 tiers offer plenty of merchandise and stock holding space on both sides. The top 2 tiers are partitioned into 4 section each offering a practical display function. The base tier is partitionless so offering more stock holding functionality.

The merchandiser is set on 4 x 100mm diameter casters, 2 of which are braked in order to hold the stand in position.

It is also available in a single-sided stand [Mobile Rustic Brown 3-Tier Adjustable Merchandiser Display Stand](#)
