## Nilaqua Hand Sanitiser Plus 100ml LIMITED EDITION - 5 Pack

Nilaqua Hand Sanitiser Plus 100ml LIMITED ADDITION is a fragrance & alcohol free Hand Sanitiser. It is effective within 30 seconds and a powerful germ killer (99.9999%). At the same time it is kind to the individual and environment. It does not strips surfaces as it contains no irritants within its formulation.

Nilaqua® is EN1500 approved which means the bugs are tested on real people not just test tubes! EN1500 is the standard required by the NHS. It is effective against all enveloped viruses as defined in EN 14476:2013 + A2:2019 Annex A\*. This therefore includes all c-viruses and SARS-CoV-2. It also protects against Monkeypox.

The hand sanitiser uses the latest Advanced Barrier Technology. This means that Nilaqua not only provides rapid kill against bacteria and viruses, but provides a residual barrier on the surface. This barrier continues to work for at least 6 hours after the initial application.

This is also available in a larger multipack
