Childhood development

The Pikler Inspired 4-in-1 arch climbing frame is considered an essential tool in childhood development. A food safe lacquer offers a natural look and an easy clean finish. It has been designed to encourage the development of a child's agility and reaction skills. They will learn to stand, climb and vanquish fears at their own pace. It instinctively emboldens and develops strength and stability. Watch them evolve in front of your eyes as their confidence pushes them to new heights. Literally!

As well as crucial development the nursery Pikler Inspired 4-in-1 arch offers endless fun as they learn to explore their imagination.

Stand alone the Nursery Pikler Inspired 4-in-1 Arch Natural can be easily turn into a den or tunnel. Combined with any of the other components in the [Pikler Inspired Range](#) or [Ligneus Play Range](#) this versatile product transforms into a world of wonder.

The modular make up means all the other parts work seamlessly together. Assault courses, labyrinths, castles....you really are only limited by your imagination.
