PERSONALISED OAK GARDEN WINE WAITER

This quirky oak garden wine waiter, or garden wine & glass holder, is a simple solution to keeping a bottle and glasses on hand while entertaining in the garden. It can easily be disassembled not just for stowing away but also for carrying on a picnic. If you're into camping (or should we say glamping) this oak camping wine holder will certainly attract attention with your fellow campers (or glampers).

The central ground spike is easily pushed in the lawn. This allows you to move the wine stand bottle holder as needed. The circular frame surrounding the wine holder is able to support both empty and filled glasses. An integrated hand-hold enables you to carry the bottle and glasses around easily.

Add a personalised touch to make it truly yours or perhaps the perfect garden or barbeque gift for the green fingered gardener or the flamboyant barbeque chef.

As summer garden parties make a come back this makes the perfect summer BBQ companion. It's always wine o'clock with the oak garden wine holder

A food grade oil provides protection and enhances the lustrous oak colour.
