OAK VENEER WINE AND BEER GLASS PADDLE

This wine and beer glass paddle is designed to carry either 3 x 1/2 pint glasses, 3 glasses of wine or any combination of each. The diameter of the holes is 60mm so it will also accommodate other beer glasses. The oak veneered wooden drinks paddle makes light work of carrying multiple drinks allowing you to carry enough beers for all your friends.

The dimensions of the drinks paddle are:

- 400mm long (includes handle - 130mm long)
- 115mm wide (at its widest point)
- 3 x 60mm diameter cutouts to seat the glasses
- 19mm wide slots for stemmed glasses (such as wine glasses)

This wine and beer glass paddle, also known as a beer flight, is a great way to allow punters to carry their beer. The drinks paddle can also double as a beer tasting flight. This makes it a great choice for beer festivals and pubs.

Great not just for the pub but also around the home and garden. You can personalise it too making it a great gift - Ligneus on one side your personalisation on the other!
