The Rustic brown Pop Up Bar is made up of a central middle exhibition bar with the addition of 2 mobile crates and 4 stacking crates, which fit a gastronorm 1/1 tray on top and have a blackboard panel as the top slat, offering maximum storage capacity. Their modular design means you can arrange them as befits your event requirements.

Corporate Events Bar

The Ligneus Rustic Brown pop up bar is spontaneous and fun. However behind all fun events is meticulous planning. For corporate events, weddings, and parties, this easily assembled bar offers spontaneity. It also combines spontaneity with a high level of professionalism. The pop up counter design makes it incredibly useful at a wide range of functions.

The pop up bar serves equally well as a Champagne Bar, a Gin Bar or the, ever popular, garden bar. It is also very useful as an exhibition stand or stall.

Home & Garden Bar

It is equally useful as an everyday bar for use at home. With more and more of us choosing to entertain at home this indoor home bar is just as easy to use inside as it is in the garden or backyard pub shed. Easily adapting to whatever space or room you may want to use it.

Tiki Bar

Tiki bars are something that have become increasingly popular. A tiki bar is a themed drinking establishment. Generally they serve elaborate cocktails, especially rum-based mixed drinks. These would include cocktails such as the Mai Tai and Zombie cocktails.

Tiki bars are aesthetically defined by their tiki culture. This is based upon a romanticised conception of tropical cultures, most commonly Polynesian. Here we offer a great pop up tiki bar option that you can decorate as you see fit.

Modular Bar

We manufacture the Rustic Brown portable bar from sustainable redwood and pine. It is modular and compact allowing you to arrange as you see fit. It consists of 3 sections: a central bar section and 2 modular side sections. Each of the 3 sections carries a solid pine work surface.

The two side sections can be arranged in a wide variety of formats. All sections sit on 4 casters, 2 of which are

Rustic Brown Bar Assembly

The Rustic Brown garden bar can easily be assembled in under 5 mins by one person (see video below). It is equally easy to disassemble and compactly stow away. Please note: this video shows the previous pop up bar design, however the set up procedure remains the same.
