## RUSTIC BROWN BEER GARDEN DROP FRONT CRATE 500X370X165

The Rustic Brown Beer Garden Drop Front Crate 500x370x165 is ideal for pub table service. Based on our shallow rustic drop front crate 500x370x165 it has an additional removable insert. The insert has 11 large (78mm Diameter) and 4 small (65mm diameter) holes with slots from front edge to allow for wine glasses to be inserted.

The drinks table service crate is ideal for pubs now offering table service. It allows waiting staff to carry more drinks more safely than a standard tray. It is also great for clearing down empties. The insert can be removed to offer greater capacity when collecting glasses.

For more of a focus on pint glasses we also have the standard Rustic Beer Garden Crate 500x370x165
