RUSTIC BROWN 2-TIER ADJUSTABLE WOODEN A-FRAME DISPLAY STAND 415X300X640

The Rustic Brown 2-Tier Adjustable Wooden A-Frame Display Stand 415x300x640 is an attractive counter top or table top display stand. The clever design allows you to adjust the tiers in either the level or slanted positions. This offers greater versatility allowing it to be either a more central display with access from both sides or a front facing point of sale display with an optimum angle for line of sight.

Optional Blackboard Panels

These also have the option of a blackboard panel on each tier if you wish to chalk your own labels

Kitchen Organisers

They are also great as kitchen organisers for everything from vegetable racks to condiment holders. They are incredibly versatile and look great at home in the kitchen.
