### Rustic Stacker Crates

Our standard Rustic Brown Crates 600x370x250, like all our crates, are stackable. We do, however, offer an interlocking option for a more supported stack. If you are regularly stacking your crates 3+ high then we would certainly recommend this option.

**Here's an idea:** Stack 2 and add a [crate lid](#) to the top one to create a side table with storage.

For a more colourful display you may prefer our [Rustic Colour Burst Crate](#) or for ready made displays you may be interested in our [Crate Displays](#).
