HEWN EDGE OAK PADDLE 460X300X18

The Rustic Hewn Edge Oak Paddle 460x300x18 is designed to mimic the natural look of raw rough cut timber so don't expect straight lines on this one, a spade type tapered edge completes the look and individuality of this paddle.

The hewn edge paddle board can be used either as a chopping board or as a serving board. It can also be personalised for the unique finishing touch.
