RUSTIC POP UP EXHIBITION BAR

The Ligneus Rustic Pop Up Exhibition Bar is an ideal exhibition reception solution. It is also ideal for everyone from party people, caterers and event planners to corporates and rental companies.

This Rustic pop up exhibition reception counter has hinged sides for quick and easy set up and put down. This is great when time is pressing.

The pop up bar comes with an additional shelf and also the option of either a chalk board on the front or printed branding. Either option comes at no extra charge. Simply upload your image file (printed area is max 1110mmx 230mm) or, if you don't upload a file, a standard black chalk board will be supplied.

It is finished in a classic rustic brown however we are more than happy to adjust the rustic finish as required.

If you like a more colour full option we do have a jolly [Painted Pop Up Exhibition Bar](#) option
