RUSTIC SLATTED BEVERAGE DISPLAY STAND 645X256X345

The Rustic Slatted Beverage Display Stand 645x256x345 is a great multi-functional riser. It works incredibly well by itself but comes into its own when combining with the [Rustic Curved Drop Front Tray](#). In this way it forms the very popular [Rustic Slatted Beverage Station](#).

It has a drop front along one side for ease of access or to allow taps from juice and beverage dispensers to sit over the edge. It is manufactured from sustainable Redwood with each slat being rounded over creating a beautifully tactile unit. Finished in a classic rustic brown this is a very attractive riser display stand.
