TAPERED EDGE OAK CHOPPING BOARD 350X220X34

Thick and chunky with clean lines best describes this solid Rustic Tapered Edge Oak Chopping Board 350x220x34 or serving board. Not for the "weak wristed" this one's heavy at 34mm thick but will still grace any worktop, kitchen or counter display. Made from prime solid oak this chunky board has a tapered edge for ease of handling and carrying. Finished in food quality oil for a deeper natural colour this classic design will stand the test of time and last and last...
