## SINGLE SCORCHED PLY REVERSIBLE PLACEMAT 240X200X6

This Single Scorched Ply Reversible Placemat 240x200x6 is part of our scorched range and offers a unique look and feel. The scorching process enhances the grain within the wood and ensures no two placemats are the same. It is finished in a food grade lacquer offering additional protection. The placemat is reversible with the underside being unscorched and lacquered so you can dress your table as you see fit. Other placemats in the scorch range include:

- [Scorched Pine Placemat](#)
- [Scorched Oak Placemat](#)
