SOLID PINE PARTITION SCREEN TABLE DIVIDER WITH SEE THRU PANEL 1200X400X1400

The Solid Pine Partition Screen Table Divider with see thru panel is very easy to assemble. The room divider is made from sustainable pine giving it a classic organic look. As a table divider it is hygienic and low maintenance making it ideal for a variety of indoor settings from pubs and bars to restaurants and hotels. The top panel is clear acrylic with the highest visibility whilst the bottom panel is made from solid pine panels. The sturdy frame pine frame sits on 4 lockable casters which makes it incredibly manoeuvrable.

This partition screen demonstrates that being COVID Safe doesn't mean you have to compromise on style. In fact our screens can actually enhance your environment helping to create a cosy ambiance.

You do have the option for an engraving along the top pine panel - simply add your text.

This room partition screen is supplied as a flat pack – 20 mins assembly time.
