## RUSTIC 3-TIER A-FRAME TROLLEY ON CASTERS

This Rustic 3-Tier A-Frame Trolley on Casters is incredibly versatile. As a mobile A-frame it works incredibly well as an attractive display stand. We have also designed it as a functional catering trolley.

The trolley sits on a [set of 4 x 50mm casters](#) which are a solid design from metal and are incredibly tough for everyday mobility. If this trolley is to be used as a catering trolley or tea trolley we recommend the deluxe version - [3 Tier A-Frame Trolley on Deluxe Wheels](#). These wheels offer the smoothest running with the easiest manoeuvrability.

### Removable trays

There is also the option of a set of removable trays that sit within each boxed tier. There are two trays on the top tier, one tray on the 2nd tier and 4 trays on the base tier. The tray on 2nd tier has 5 removable partitions and the base tier trays each have 2 removable partitions. These trays offer even greater versatility to this multi function trolley - it becomes a fantastic mobile cutlery and condiment holder.

The trolley is available in a choice of finishes and measures: (l x w x h)

850mm x 560mm x 900mm
