## Stacker Crates 300x370x250

Our standard Painted Tetbury Green Crates, like all our crates, are stackable. We do, however, offer an **interlocking** option for a more supported stack. If you are regularly stacking your crates 3+ high then we would certainly recommend this option.

**Here's an idea:** Stack 2 and add a <u>crate lid</u> to the top one to create a side table with storage.

For a more rustic crate you may prefer our <u>Rustic Crate  $300 \times 370 \times 250$ </u> or for ready made displays you may be interested in our <u>Crate Displays</u>.
