

Job title: Paint sprayer / Spray painter

Salary: £9.00 – £11.00 per hour dependant on experience

Benefits: 20 days holiday + Bank Holidays, pension

Hours: Monday to Friday 7:30am – 4:30pm, 40 hr/wk. – additional & weekend hours are often available

Location: Aston Down Business Park, Stroud

Duration: Permanent

The role:

An exciting opportunity to join a young, friendly, successful and ambitious manufacturing company in Aston Down Business Park. The paint sprayer / spray painter role offers an excellent opportunity to become an integral part of the team on a potentially permanent basis.

Responsibilities:

The role will involve a number of tasks fundamental in the finishing process of wooden products of varying shapes & sizes:

- Prepping product for finishing
- Spray painting/ spray lacquering
- Oiling
- Dipping/ staining

You will also have responsibility for the cleaning of your equipment and general cleanliness & organisation of the spraying department.

The candidate:

The successful candidate will require a track record of using spray guns and paint spraying equipment and may have skills with different types of paint spraying techniques – ideally in a wood-based environment.

Ideally the paint sprayer / spray painter could have City and Guilds, NVQ or equivalent qualifications although this is not essential and previous on the job training would be sufficient.

Experience within a manufacturing or engineering environment is desirable but not essential.

We are looking for a team player with a “can do” positive attitude. We’re a dynamic company experiencing strong growth and consequently there is always the potential for career progression as the spraying department expands.

This is an excellent opportunity to work for an established, friendly and high growth company.

Application Process:

The interview will involve meeting with the production director and other members of the team.

There will also be a basic **Practical Assessment** using the tools involved demonstrating your abilities.

How to apply:
